Physics 212: Lecture 15

Monday, March 22, 1999
H. S. Greenside

1 Assignment 6

Assignment 6 was handed out today and is also available via the course homework web page http://www.phy.duke.edu/~hsg/212/homeworks.

2 No Lecture Notes Today

Adam Wax was the guest lecturer for today and he covered material on the quantum mechanics of many-body systems consisting of identical particles. There were no lecture notes for today.
